

The app for our school

Translations into more
than 32 languages

Push notifications about
important information

Important documents
available in electronic format

Data on German servers with
highest level of data protection

Add more than
one parent

and many
other features

Let's go

1

Download the **OSS Messenger**
or open **messenger.online-schule.
saarland** in your browser

2

Search for your school and
enter the **activation code**

3

Awesome! Now you can communicate
in an **easy** and **secure** way

YES, we would like to use OSS Messenger as parents. NON-BINDING

NO, we do not want to take part in our child's school life in a quick
and safe manner. (The account will be deactivated).
